

525 Acres of Land to be Sold at

PUBLIC AUCTION!

To the highest and best bidder or bidders; also all live stock, crops, farming implements and vehicles go in this sale, covering two days

Tuesday and Wednesday, November 25 and 26, 1919,

Beginning at 1 o'clock p. m., Tuesday, November 25

At my place, 3 miles southwest of Wildersville, Henderson county, Tennessee, I will offer for sale at public auction my entire tract of land of 525 acres, divided into six tracts, as follows:

Tract No. 1, 70 acres; Tract No. 2, 35 acres; Tract No. 3, 112 acres; Tract No. 4, 126 1-2 acres; Tract No. 5, 112 acres; Tract No. 6, 71 acres

After selling in the separate tracts as given, the 525 acres will be offered as a whole, and the sale bringing the best price will stand. Each given tract will make a good home. Tract No. 1, of 70 acres, and Tract No. 4, of 126 1/2 acres, each have good improvements on them. Tract No. 3 has good new barn, but no good residence building. Practically all are watered, and timbered land goes with each of the six tracts. Each of the six tracts front on the Lexington and Huntingdon road, one of the contemplated state highways.

TERMS—One-fourth cash, remainder on a credit of one, two, three and four years. Notes given must be good and acceptable bankable paper; a lien will be retained on the land to further secure payment of the purchase money notes. The whole is considered the best farm in Henderson county. All crops grown on the land this year will be sold on the same day, Tuesday, November 25.

On the following day, Wednesday, November 26

I will sell all my live stock, farming implements and vehicles, enumerated in part as follows: 65 head of mules, the best product of Maury County, Tennessee; 2 mares; 100 head registered Duroc hogs; 30 head cattle, 10 of them registered Durhams; 2 "Starlight" jacks, 5 and 6 years old.

One Overland automobile, good as new; 2 wagons, brand new; 2 log wagons, in good condition; 1 buggy and harness; large assortment of improved farming implements, sufficient to carry on the entire farm work.

Live stock, vehicles and implements will be sold on 11 months' credit, except sales of \$25.00 or less, which will be cash.

If you want a big farm or a little one in Henderson county, with the stock and implements to work it, also the feetstuffs on which to make the next crop, this sale will be the chance of your life—and the land is located convenient to one of the best business points and markets in the county—the live town of Wildersville.

If this ad does not give as full information as desired, write me at Wildersville or call on me at my home, to which anybody can direct you. I will, at any time before the date of sale, take pleasure in showing all prospective purchasers the land and everything else advertised to sell.

THERE WILL BE BARBECUE SERVED ON THE GROUND BOTH DAYS TO FEED THE PEOPLE

Moore & Son, of Columbia, will be on the ground to buy mules on the second day of the sale—November 26
